Have a *TOWIE* Christmas!

A gift to you from the festive fitties of Essex!

OK, SO the Nativity may not have had

the "reem" wise men, and Jesus wasn't "totes" born in a stable, but that doesn't stop *TOWIE*'s Billie and Chloe getting into the Christmas spirit.

The girls have brought us a very special present – the gift of boobs! Good will to all men, indeed! ►

DUO IN DEMAND!

We should be seeing more of Billie and Chloe in *TOWIE* next year. Four new series are due to air in 2012!

H

i girls!
Season's
greetings!
So, what's
an Essex
Christmas
like?

BILLIE: Merry Christmas to you, too! We get up, have a cup of tea and a bacon bagel and open up our presents. We get glammed up. Even if we're staying at home, I do my hair and make-up and put my Christmas dress on.

CHLOE: Expect it to be super OTT and a big Essex gathering! I'll be seeing lots of the *TOWIE* lot.

What are you hoping Santa will bring you both?

BILLIE: I want some really nice new luggage, some new Yves Saint Laurent shoes and a diamond bracelet. Not much. Ha-ha!

CHLOE: I want some nice Louis Vuitton shoes and a nice trip to Dubai.

Do you have a special festive message for anyone?

BILLIE: For our boys out in Afghanistan, I have to send my love and hope they have the best Christmas they can. We'll all be thinking of you!

And a Christmas message for the *Nuts* readers?

BILLIE: Keep buying *Nuts*! Merry Christmas and enjoy a big kiss from me!

CHLOE: Just have a lovely Christmas, and make sure you appreciate your family.

Thanks, girls! Finally, what's your New Year's resolution?

BILLIE: My New Year's resolution is going to be to learn how to cook for my family and my friends! I'll be able to do that.

CHLOE: To make sure there's heaps more drama in my life! I also want to find a husband. Can you help, *Nuts*? Ha-ha! **X**

Christmas cards for our servicemen!

Nuts brings some much-needed cheer to Our Boys serving abroad this Chrimbo!

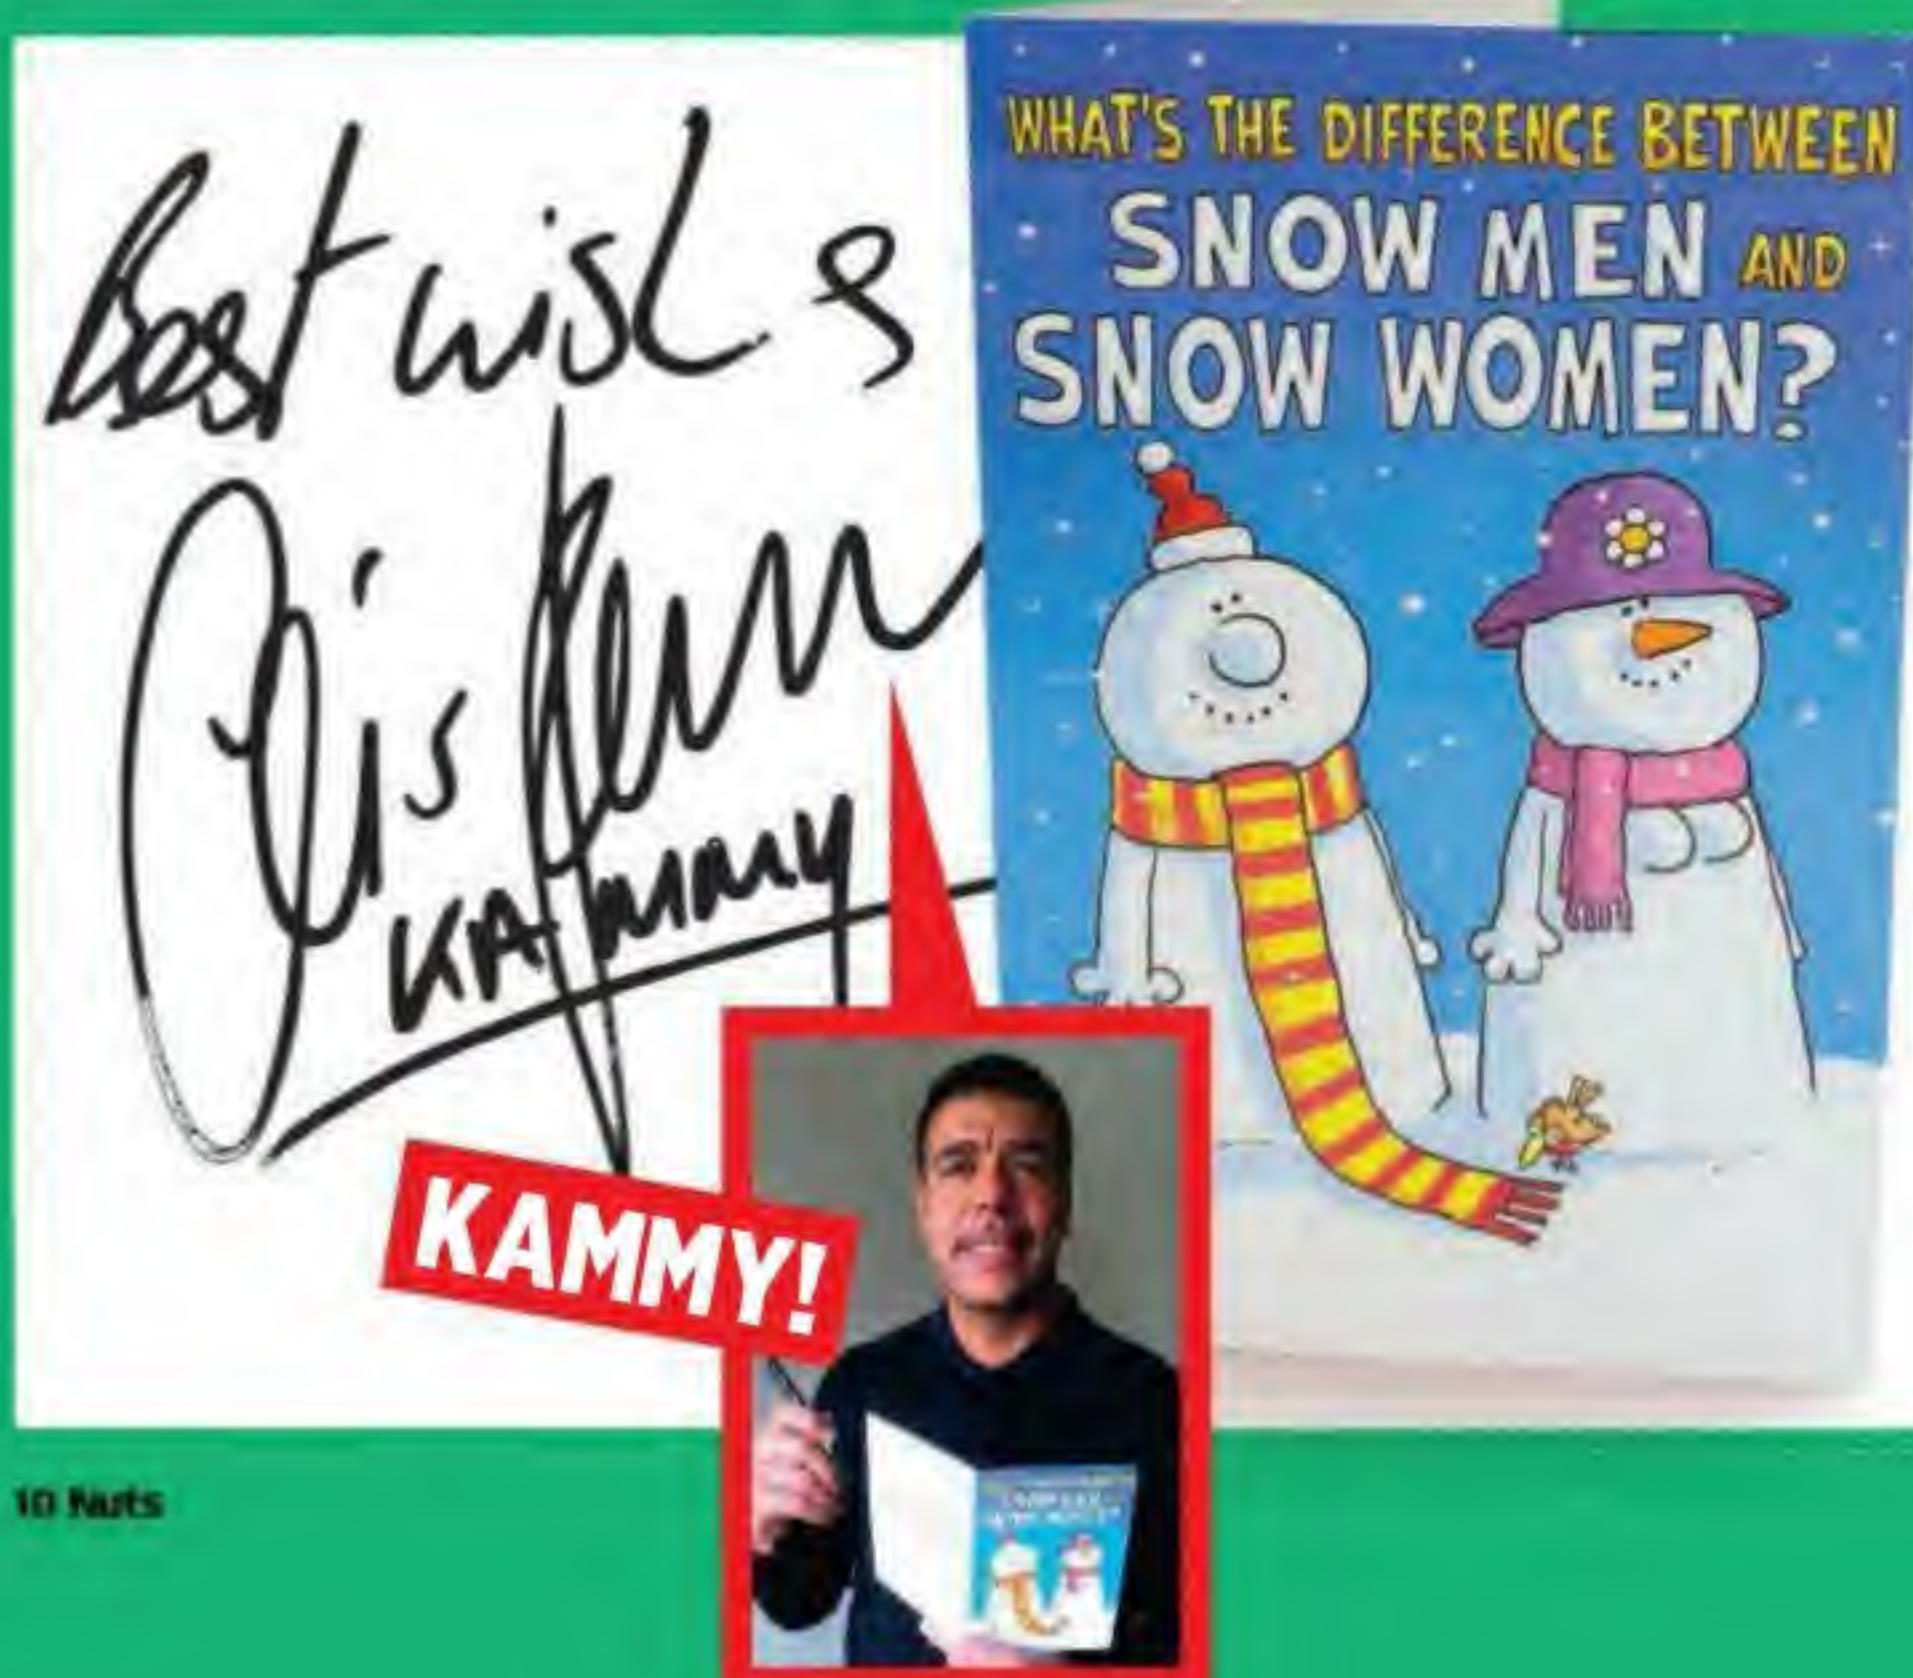

WHILE YOU'RE tucking into your turkey and pulling crackers this Christmas Day, spare a thought for Our Boys and Girls serving abroad. Thousands of soldiers will wake up on 25 December to face gunfire and mess-cooked lunch (gunfire slightly less terrifying).

So, every year, *Nuts* sends out Christmas cards and this year, we tapped up some celebrities to pitch in. Maybe you'd like to do it, too? Drop us an email to nutsmagazine@ipcmedia.com and we'll give you a name and address for your card.

XMAS AWAY!

A total of around 9,000 British soldiers will be stationed in Afghanistan over Christmas this year.

On Tom of the world!

It's Tom Cruise! On top of the world's tallest building!

➔ **IF YOU** were in any doubt whatsoever about the size of Tom Cruise's dangly bits, this amazing picture will set you right. **It's the pint-sized movie star sitting, awesomely nonchalantly, right on the top of the world's tallest building – Dubai's Burj Khalifa.**

Just under Tom's tiny bum is 829m of steel and concrete – 163 floors of well-heeled Dubai businesses, restaurants, gyms, stores and toilets (lots and lots of toilets). Not shown: terrifying strong winds. He was there to film an elaborate, bum-troubling stunt scene for *Mission: Impossible – Ghost Protocol*, out on Boxing Day.

So in conclusion: Tom Cruise. A bit bendy in the head. Utter, utter legend.

"I can see my house from here! In LA!"

The Burj Khalifa facts...

- The Burj Khalifa can be seen from 95km away.
- Visitors can take the world's fastest lifts (40mph) up to the 124th floor and look out from the world's highest outdoor observation deck, 452m up.
- The water system supplies an average of 946,000 litres of water per day.
- It includes the world's first Armani hotel, over 15 floors, with 160 rooms, eight restaurants, a spa, luxury chocolate shop and florist.
- The glass-and-steel exterior would cover 17 football fields if laid out flat, and takes between six and eight weeks to clean.
- It cost £950million to nail together.

Supercar pile-up!

It's rude to gloat.
But we're going to!

ONLY EGOS were bruised. So, enjoy this massive supercar pile-up on the Chugoku Expressway in Japan. According to eye witnesses, the exotic rides were driving in pairs, en route to a Sunday supercar meet in Hiroshima.

It's thought that the convoy leader – the F430 Scuderia of a 60-year-old businessman – spun out trying to avoid a “slow” Toyota Prius. The Ferraris, Lambo, Nissan GT-R and Mercedes following close behind tried to dodge the car and collided all over the road. Amazingly, bank balances were the only casualties!

The Darkness II: first play!

Nuts goes hands on with next year's supernatural shooter!

→ **YOU WAKE** up, to the sound of a hammer. You slowly come to as your vision clears and realise it's the sound of your hands being nailed to a hastily erected cross. A man, twisted like a tree stump, stoops before you, in front of some arcane machine that's inexorably sucking out your life force. Welcome to the opening of *The Darkness II*!

In this shooter with a twist, you play Jackie Estacado, a New York Mafia boss who's risen through the ranks using a mix of ruthlessness, smarts and supernatural power called "The Darkness" – two snake-like arms that add an ultra-violent twist to his gun play. And lots of fun for us. We played the first two missions of this sequel, out next February. Here are the highlights...

EXECUTIONS

Replenish life force with Darkness executions, from bursting out of enemies' chests and eating their hearts, to the "wish bone", where an enemy is split in half, legs first.

MEET YOUR ENEMIES

You face "The Brotherhood", a murky Mafia organisation out to steal Jackie's Darkness powers and use them for their evil ends. Not a nice Secret Santa gift, we imagine.

THE DARKLING

Jackie can call on a demon called a Darkling, who crawls out of portals in the floor. It can attack henchmen, or you can control it for specific tasks. For some reason, it's British.

TOONY LOOK

This is a cel-shaded game, so it looks a bit like the graphic novels that inspired it. The advantage is comic book-like gore that looks awesome but isn't too realistic.

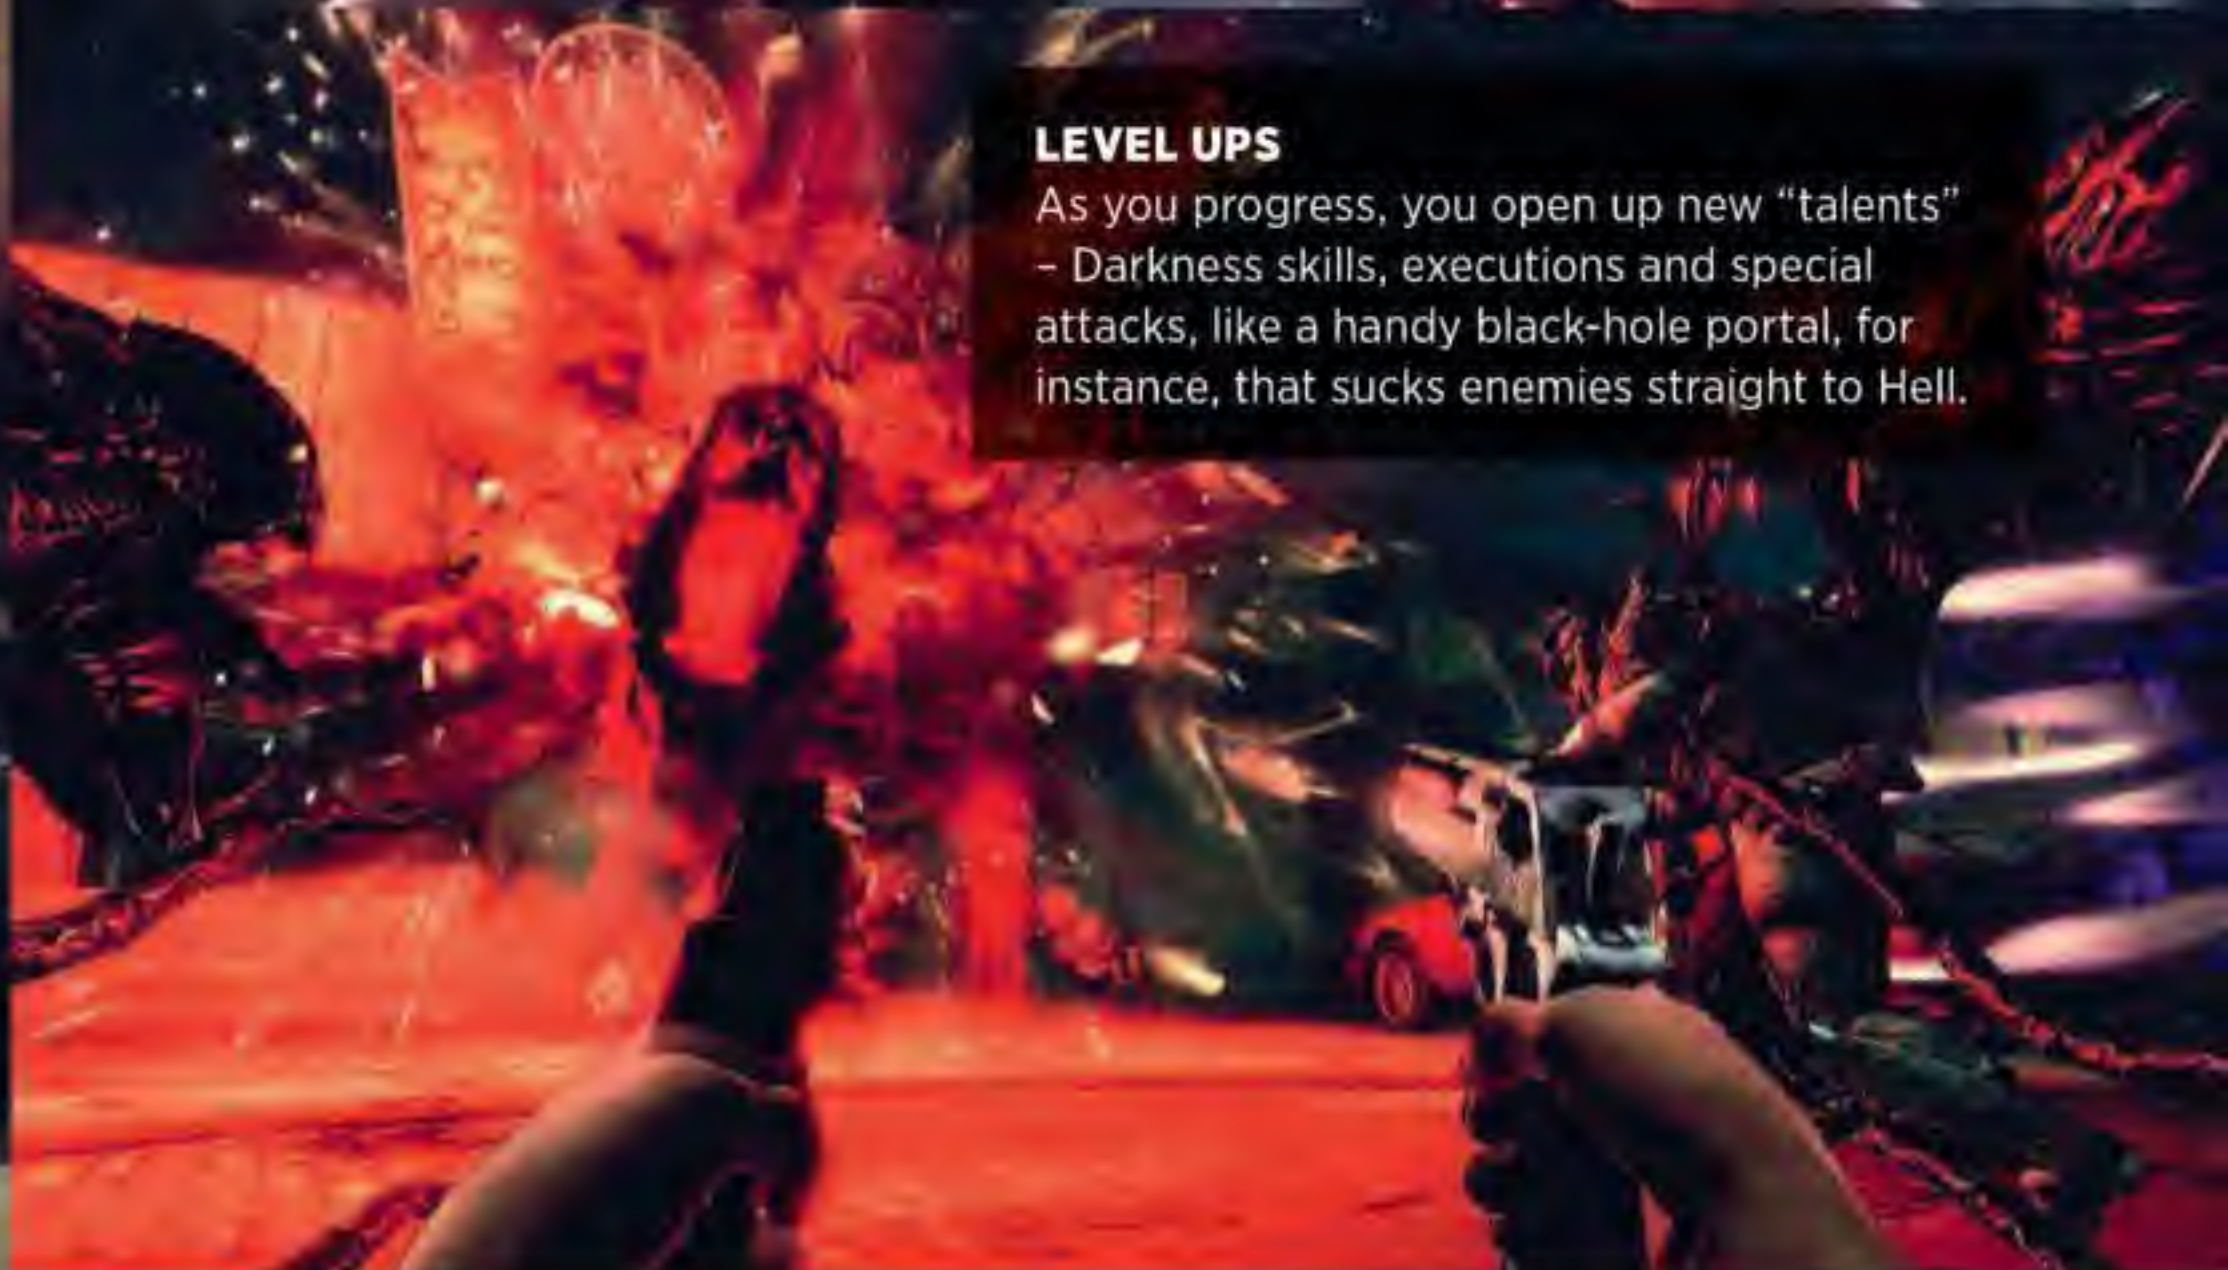

DARKNESS POWERS

As well as popping away with guns, your Darkness arms can grab and throw items, impale and slash enemies, rip car doors off to use as shields and smash open doors.

LEVEL UPS

As you progress, you open up new "talents" – Darkness skills, executions and special attacks, like a handy black-hole portal, for instance, that sucks enemies straight to Hell.

A quick word with Noel Fielding!

The comic on *Buzzcocks* and his bonkers new show!

➔ Hi Noel! You've got a new show coming up on E4 called *Noel Fielding's Luxury Comedy*.

In what way is it luxury?
Because it's taken so long to make! It's the most intricate, idiosyncratic show ever. It's part character show, part sitcom and part animation.

Will you be filming a cheaper version called *Noel Fielding's Budget Comedy* for Dave?

Well, no. They've let me do what I like. I live in a tree house with an anteater for a butler and a robot for a cleaner. I've got an arty friend and there's a unicorn head on a plaque who sings songs. There's a stingray who's also a record producer. Richard Ayoade [from *The IT Crowd*] is his friend, but he's a hammerhead shark.

Is this the same stingray that got Steve Irwin?

Ha! I did think about that, but it's like the moon in *The Mighty Boosh* – it's usually my face with animation layered over.

If *The X Factor* judges were sea creatures, what would they be?

I like Tulisa. I met her on *Never Mind The Buzzcocks*. She's smart and quite beautiful, so she'd be something like a mermaid.

Louis Walsh would be a puffer fish. Gary Barlow? A seahorse! Or maybe a crab.

You did well on *Let's Dance For Comic Relief*.

Obviously, we're quite culty, but when you do a show like that, you walk down the street and everyone's going, "All right, Noel. Nice dance!" It was good to go on mainstream telly and confuse some people.

You were interviewed on the BBC during Wimbledon. What were you doing there?

I play tennis. I challenged Boris Becker to a game of Swingball. He said yes, but the BBC didn't have time to film it.

Are you disappointed Noel Gallagher didn't ask you to form a band with Noel Edmonds called the Three Noels?

Ha! I saw Noel Gallagher the other day. I like his single, but I don't think I'd want to give it all up to become a rock star.

Do you reckon you'd be able to pick the teenage Noel Fielding out of an identity parade?

It'd be hard! A lot of kids at our gigs have similar haircuts to me, so it should be easy to find some people who look like me.

Cheers, Noel. Finally, what's the 65-year-old Noel going to look like?

Like me with more wrinkles!

QUIRKY COMIC!

Track-only Ferrari!

It's the new, improved Ferrari 599XX Evoluzione!

EVEN IF you've never spoken a word of Italian, you'll be able to work out what "Evoluzione" means. In the case of this new 599XX, it means **the most advanced Ferrari outside an F1 paddock.**

- The Evoluzione's not a road car, it's a driving development project for Ferrari's F1 technology to trickle through to its road cars over the next few years.
- It boasts fancy aerodynamics, 35kg less weight than the old 599XX, 20bhp more (740bhp), and it's two seconds faster around Ferrari's test track.
- At approximately £1,260,000, it's expensive, but crucially, it's only available to those who ordered a first-gen 599XX in 2010.
- With an awesome F1 aerodynamic package, it does 0-62mph in three seconds and a top speed around 200mph.
- The rear wing has two "active" flaps which adjust downforce between the front and rear wheels. At 124mph, it's apparently increased to 330kg (flap open), or 440kg when closed.
- The cost includes two test-track sessions a year, a pass to the annual Ferrari party, and Ferrari engineers on standby. Nice!

"Oh no! The nasty cars back there are ganging up on me!"

And if you crash it...

Turn it into furniture!

➔ LET'S FACE it, if you bought that nice Ferrari on the left, you'd probably stack it on a corner and write it off. So if you do, consider the work of French artist Charly Molinelli, who makes furniture out of them.

This coffee table used to be a rare Ferrari F40 – one of only 1,315 ever made and worth around £300k – plus some fancy mahogany and some wheels. It's yours for just £13k (plus one written-off Ferrari). Tears can be wiped easily from the glass.

MENTAL Yves

Rossy just loves

strapping some wings and four jet engines to himself and pretending he's an aeroplane. So he did, in a formation flight with the Breitling Jet Team. Whistling over the Swiss Alps, Yves probably had a great time. His chums in actual jets, however, were at their minimum speed, and probably thinking about what was for dinner. And why their cheese has holes in it.

Jetman: the facts!

- Yves' contraption is a carbon-fibre fixed-wing unit with four Jet-Cat P200 jet engines.
- The wingspan's 2m and its max speed's 190mph.
- There are no controls - Yves' body movements fly the wing.
- He's successfully flown the English Channel and the Grand Canyon.
- Yves launches from a helicopter.

JE via email

It sounds like she'll be popular with everyone except the girls. Why don't you arrange for two or three single male colleagues to look after her while you enjoy yourself. And if it works out between your missus and your colleagues, you can watch!

My Christmas fetish!

It sounds ridiculous but all I want for Christmas is for my wife to dress up as Mrs Claus and for us to have a right session in the bedroom. Do you think she'll go for it?

SID Macclesfield

Is this the only unusual sexual desire you have? If you've already done similar stuff, it'll be easier to ask. Maybe you should start with something more conventional like a nurse or policewoman, as she'll probably accept that quite easily. Then graduate to Mrs Claus. Where will you park the reindeer, though? I know a great story about an orang-utan but that's not for today!

go there if I wasn't with my girl but I'm worried she's going to corner me every chance she gets. What do you think?

JAY Doncaster

Tell your girlfriend. Either she knows about her mother's ways from her former boyfriends or

it will come as a big surprise to her. If she knows, she'll tell you how to react. You may even get a threesome! If she's unaware, you can rely on her to sort things out. Maybe invite a mate, then you might get a foursome!

She's bought a gimp suit!

I'm moving house and I've stumbled on some Xmas presents my other half has bought me. So far I've found a gimp suit, whips, chains and a rubber fist! She's dead excited about the gifts she's got me, but I'm not sure I'm into that. What the hell am I going to do?

PAUL Southampton

Just sit back (or stand or lie down – whatever she orders you to do) and relax. It's obviously going to happen so you might as well try to enjoy it. Practise calling her "stern mistress" and she'll love it.

"Stop moaning about new comedy!"

THIS HAPPENS every f**kin' year – an older comedian or comic actor tells us young folk what we're doing wrong. This year it's David Jason from *Only Fools And Horses*, who says that modern comedy's too offensive, naughty words are commonplace and we've forgotten the art of innuendo. Maybe there is too much swearing and offensive stuff out there, but I hate constantly hearing about what us newer comics are supposedly doing wrong. So David, don't be a c**t about this – sorry, I mean, don't be a "See You Next Tuesday" about this – you don't have to watch new comedy if you find it offensive. Just stay at home and watch some old tapes of Bernard Manning and Jim Davidson. Ah, the good old days...

"Yes, we've fooled the
crowd so far, but what
about mating, Dave?"

"Pandas are overrated!"

SCOTLAND IS getting all excited because they're celebrating the arrival of two pandas at Edinburgh Zoo. Why do people get so excited by pandas? There are plenty of other cute animals. Pandas look like crap with those two f**kin' black eyes – they look like they've been on a bad date with Chris Brown. And pandas are almost extinct too, so why risk putting two of them in Scotland, the heart attack capital of the world? They look healthy now, but just wait six months – they'll have got the taste for deep-fried bamboo covered in chippy sauce, and will be drunk, wearing Hearts shirts and glassing each other.

"It's not easy to forgive!"

THE PRIME Minister of France has told all of Europe that they should stop making "Germanphobic" comments. You know the kind of thing, people saying stuff like, "My boss is being a right Hitler."

I don't see what the problem is. If you look back through history, you can see that the Nazis were really, really naughty, and it's only been 65 years – seems to me we've forgiven them quite quickly. My best mate kissed my girlfriend when I was 20 and I still haven't forgiven that c**t. And he didn't genocide anyone!

"If I hear that
Slade song one
more time..."

"Just tell the kids Santa's not real!"

WELL, IT'S Christmas time, readers! And if you're not a kid, or someone with kids – if you're just a guy in your 20s, then let's face it, it's boring as f**k! Even so, make sure you have a good time, buy yourself some good sh*t, or better yet, ruin Christmas for someone else! Tell random kids that there's no such thing as Santa Claus. I know that seems harsh, but kids are as dumb as f**k! How can the little idiots believe that there really is someone who slides around on a sled and brings presents to the entire world in one night? They'll be believing that there was once a baby with no father who got born into a manger and could do miracles, next. Merry Christmas, everybody!

"I'm opening a cheese shop in Israel instead," he replies. "I'm calling it Cheeses of Nazareth!"

1 'The bus dragged me along!'

BRENDAN LENNON *Soccer*

Hi Brendan! So, what exactly happened to leave your leg in this state?
I was out drinking with my rugby team. As I was crossing the road, a bus smashed into me and I was dragged along the road for 15 feet. It was a bloodbath. The docs saved my leg but had to take skin grafts from the rest of my body.

How does it feel to have 2011's grisliest gore-fest?
It's amazing and has come as a real shock to me. The Don't Look! page is one of my favourites in *Nuts*, and I've seen some pretty brutal ones in there this year. So, yes, to have won is a surprise!

And finally, what will you do with the £1,000 prize money?
Well, it's my stepson's birthday soon, so I reckon he'll be getting a pretty special present. I guess I'll also have myself a wee holiday. I've got family in America, so it would be nice to travel over and surprise them!

Jimmy Carr Vs the Nuts Question Bucket!

Sell:

The sarky stand-up on eggnog lattes, reindeer killing and out-gobbling a turkey!

Copy:

THE RULES are simple. We fill our bucket full of ridiculous questions, then a celebrity picks them out at random and must answer whatever they get! Oh, and Merry Christmas!

Would you rather have the head of an elf and a human body or the head of a human and an elf body?

Definitely the body of an elf and a human head. Then I'd just sit on the back window of the car and be adorable.

What will you be doing on the seventh day of Christmas?

Opening a bird sanctuary to cope with all the birds I've accumulated. Seven swans a-swimming, six geese a-laying, four calling birds, three French hens, two turtle doves and a f**king partridge. Who am I? Bill Oddie?

"Bend, damn you, cracker! Bend!"

Have you been a good boy or a naughty boy this year?

If you ask the *Daily Mail*, I've been disgraceful. If you ask anyone who goes to comedy gigs, I've done alright. I'd say I've been a good boy, but I've been a very naughty little girl.

Father Christmas is stuck up your chimney. Do you help him or charge your friends £5 for a look?

Father Christmas is very much the acceptable face of home invasion. If you're going to break into someone's house, this is how you should do it.

Could you manage to out-gobble a turkey?

That question, I feel, *Nuts* magazine, was probably meant for Amy Childs from *The Only Way Is Essex*. Did you bring the wrong bucket? She could suck a golf ball through a length of hose. That's the expression, right?

"So, you stick one half on your head, right?"

What's your favourite Christmas tipple?

Mint Baileys. It's proper crazy booze at Christmas. "A hangover from Archers, I wonder what that's like? Let's find out, shall we?"

Would you rather eat your own body weight in Brussels sprouts or drink your own body weight in eggnog?

They do an eggnog latte at Starbucks, which is unbelievable. They only do it for Christmas, though, because one a year is all you need.

Could you beat a reindeer in a fight to the death?

Very good question! I think a reindeer is the biggest animal I could kill with my bare hands. They're passive, aren't they? I reckon I could reach into its eye socket and rip out its brain.

Sex is like a Christmas cracker: one disappointing bang then the novelty wears off. Discuss.

Um. Right. I do not agree. Sex is very much like a broken guitar. There are no strings attached and there's just a hole.

If Quality Street were suppositories, which shape would be left in the bowl?

Triangle. Another tough question.

Who's been the most disappointing person you've woken up with on New Year's Day?

I'd have to say me.

Who would you say is the biggest Christmas pudding in showbusiness?

Eamonn Holmes. He said, "Look, I'm upset about the number of jokes about my weight." So then everyone went, "Ah, so you'd like us to make more jokes about your weight?" That went badly. People say you'll never see him on TV again. You will. There's *Embarrassing Bodies*. I've heard he's been signed up to do *Inside Nature's Giants*.

What would you do if a snowman tried to get into bed with you?

Put the heating on. If it was a snowlady, then watersports. I'd write my name on her t*ts.

SEXY SISTERS!

No, you're not seeing things... Introducing
Laura and Klaudia, two very hot identical twins!

They are sitting on a white bed, facing each other with their backs to the camera, looking over their shoulders. A white Christmas tree decorated with red ornaments is in the background. A red gift box with a gold pattern is on the floor between them.

“It’s nice to celebrate Christmas in such a sexy way!”

H

ello ladies and welcome to *Nuts*! How does it feel to be in the magazine?

Laura: Hello! It's so exciting to be modelling for *Nuts*. We've done other bits before, but nothing as big and sexy as this. Hopefully people will be very happy to see us.

Klaudia: I always see the sexy girls of *Nuts* staring back at me when I go in the shops in Leeds, so it's exciting to know we'll be in there next time I go in. I'll have to buy loads of copies to send to my friends!

What's a typical Christmas like in your native Poland?

Laura: Freezing! Ha-ha!

Klaudia: Ha-ha! There's lots of partying and this year we'll have extra reason to celebrate.

Are you enjoying the Christmas theme today?

Laura: I love it. It's such a beautiful time of year so it's really nice to be able to celebrate it in such a sexy way. I love that in winter you can stay inside and get all cosy while it's cold and snowing outside!

Klaudia: I'm looking forward to having some snowball fights if it gets really cold like it does back in Poland!

Do you ever confuse people with the fact you're twins?

Laura: It happens all the time, so we're used to it.

Klaudia: Yes, sometimes we can be a bit cheeky and play tricks on people, but I think all twins like to do that, don't they? It's fun!

What can we expect from you in 2012?

Laura: More of us in *Nuts*, hopefully! It would be nice to do some cheekier shoots with some of the famous *Nuts* girls.

Klaudia: I think 2012 will be a very big year for us both. It's very exciting! ❌

"Yep, those baubles are hanging nicely!"

Harley Rizzle! **Mark Watson!** Russell Kane! **Lee Nelson!** Jordan Rizzle!

"Barman, can you
fetch us a wine
list, please?"

Nuts review of the year!

2011 was the year of misbehaving celebrities, rioting youths and Pippa Middleton's bum.
So we invited some famous types down the boozer to see what they made of it all!

H

i guys! So, let's start with the bonkers riots that started in London then spread across the country. How would you have curbed all that?

Lee: I'm 100 per cent against the rioters unless they're running towards you, then I'm with them all the way!

Russell: The stuff people were stealing was hilarious. They negated their own cause by taking multipacks of Wotsits.

Mark: It was so pitiful. People nicked phones barely better than the ones they had. Just wait for an upgrade. I'd like an iPhone 4S but I'm not going to smash a window just to save on paperwork!

Harley: You could definitely see why it kicked off in Tottenham. But when it spread, it was just mindless.

Lee: People say David Cameron, Nick Clegg and Boris Johnson put a stop to

"Hello dear! The good news is the car no longer needs washing..."

it but they would've been well outnumbered! There just weren't enough police to block the roads. I would've got [rather large-framed comedy sidekick] Omelette involved!

Jordan: Young people see the police as something to stop them from having fun. But there must be something wrong with society if youths are happy to smash to pieces the places where they live.

Lee: I saw a group of lads running out of Currys holding a load of TVs. Currys staff were caning after them, going, "What about an extended warranty?"

Lovely Cheryl Cole was booted off the US X Factor earlier this year. How would you have consoled her?

Lee: I'm with the Americans. I can't understand a word she says.

"Cheryl, I've got two-for-one vouchers for Pizza Express! Fancy it?"

Russell: I like the fact that she was sacked for being too Geordie. She'd never have worked out on the US X Factor. The other judges would be going [does American accent], "It was patchy in places." She'd be going [does Geordie accent], "I liked it so much I've shoved a Bacardi Breezer bottle in my tw*t."

Jordan: I saw her on Alan Carr. She was so boring! People want to know who she's been f*cking since Ashley Cole. I'd console her by getting her p*ssed.

Lee: I'd take her out to a classy bar and let her take her frustration out on the toilet attendant.

On to football. Wayne Rooney was given a two-match ban for getting sent off against Montenegro, ruling him out of two Euro 2012 group games. Do England stand a chance without him and has he been punished enough?

Russell: They should hide his fuzzy felt and then, when he's messed his pants, not change him.

"One day, I'll have hair just like yours, ref!"

Mark: It's enough of a punishment that wherever he goes, some arsehole will be stood there going, "You w*nker!"

Lee: He should get a 12-month hooker ban and, if he does it again, Capello gets to pull his hair out.

Jordan: We're supposed to be a five-star national team. Why are our hopes based on one striker?

Lee: He's loaded, isn't he?

Mark: He earns slightly more than a supply teacher.

"You're fired! Ha-ha! I love pretending to be Lord Sugar!"

Lee: He's done four Shrek films.

Mark: He gets DVD royalties. That's where he makes the money.

Italian PM Silvio Berlusconi (above), Ashton Kutcher, Jeremy Clarkson and others made 2011 the year of celebrity scandals. How should we stop them misbehaving?

Lee: Berlusconi! What a legend! Kids should

realise if you work hard and

become Prime Minister, you get your reward of being able to bang anyone all night long, innit? Berlusconi, if you're reading, "Bunga bunga, yes? Southa London." Our Prime Minister, David Cameron. What's he done? Avatar, that's it.

Russell: Ryan Giggs banged his own sister-in-law. The only sponsor he's got left is Wall's sausages because he'll never substitute his sausage for anything else.

Lee: I've slept with a celebrity. I don't want to brag but you know Wayne Rooney's hooker, yeah? Oi, not the old one! Get lost!

"Do, do, do -
come on and
do the conga..."

Let's talk about another huge event from 2011, the Royal Wedding. Difficult question this, but who has the better bottom - Pippa or Kate Middleton?

Jordan: The Royal Wedding was a fun excuse to get p'ssed. Harry was funny. He kept checking out Pippa. He looked like he was thinking, "You're about to marry into my family and I'm still going to f**k you."

Mark: Kate probably didn't work so hard on the old bum because she was distracted by having to marry into the Royal family. Can we call it a draw? I was happy with both on the day.

Lee: I think the best person to ask is Prince Charles because he's a rear admiral, innit?

Harley: Kate's better looking. But Pippa's dress was better.

Lee: For the good of the nation, I'd get out my crown jewels and give them both a right royal banging.

Russell: If you did both of them at once, you'd be piggy in the Middleton!

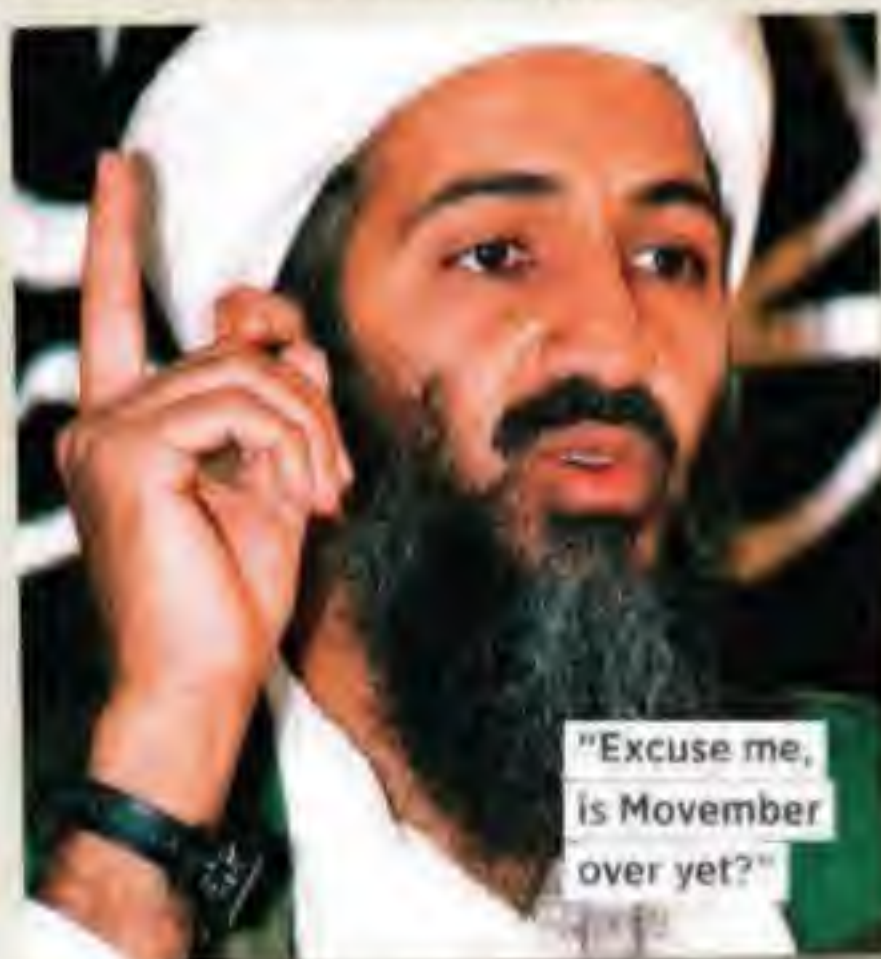

"Sunglasses when
it's overcast? Yes,
we're that cool!"

So, what did we all make of US comedian Charlie Sheen and his antics earlier in the year? Is he a hero or a loony?

Lee: He's a heroic lunatic. It's always funny when celebs go mental. That's what happens if you do enough drink and drugs for two-and-a-half men.

Russell: What did he actually do? Bang some porn stars on drugs?

Jordan: He lost the plot. But he's a comic genius though. The guy has two porn-star girlfriends who love each other as well as him. He goes on telly

"Excuse me,
is Movember
over yet?"

and says he does seven grams of coke and f**ks two hot chicks a night. What a G!

Mark: I still think that the most disgraceful thing he's done is be in a show where the theme tune goes [sings], "Men, men, men, men, men!"

It took ten years for the Americans to find Osama bin Laden. Could you have done it sooner?

Lee: They spent two hundred billion dollars looking for him and he was hiding in his f**king house all the time! They could've just gone up and rung his doorbell ten years ago, the idiots!

Mark: I couldn't have found him sooner. I had trouble finding here, to be honest. If I had to find Bin Laden on the way, I'd never have been on time.

Russell: He should have grown himself a beard as a disguise or something.

Mark: Did they try Googling him?

Russell: They should have gone to apple.com and done Find My iPhone.

Mark: What if he had a Blackberry?

Russell: He's definitely had an iPhone. He liked playing Really Angry Birds.

"I'd give Kate
and Pippa
a right royal
banging!"

Lee Nelson

Jordan: B*llocks! It never happened! America wanted to distract everyone while they invaded Libya, so they thought, "Oh yeah, Bin Laden, we forgot to kill him." Either his own family sold him to the Americans or he's completely fabricated as a common enemy, which is a technique used to build society. They dumped his body in the sea as a sign of respect? They f**king flew in by helicopter, shot five of his family and put him in the sea out of respect. D*ckheads!

Erm, righto, well thanks, guys! Finally, one of the biggest stories of the year was the phone tapping scandal. What would we find out about you if your phones had been tapped?

Mark: I've got a backlog of about 45 messages. I can never be arsed to listen to them. If someone wants to tap my phone, good luck to them!

Jordan: I'd like to tap Rufus Hound, just to hear him order things. He'd be really funny at ordering food. [Does impression] "All right. I want... a pizza... pepperoni... and a couple of girls."

Lee: I lost mine on the night bus, so I wouldn't mind if you tapped my phone.

Russell: Mine would be Tesco calling up to tell me when my online shopping's being delivered. I'd have to deliberately put something a bit more interesting on it. "One at a time, ladies!" "Oh, this pile of drugs is so massive!" "Clarkson, take it out of her ear - you're going to damage her brain!"

It was all about me and Arnold [Schwarzenegger] back in the day, but I think the opportunity's there for actors like them to become the go-to guys for action. ▶

i Tim!
 What was the highlight of this amazing year?
 The

Ashes. You never feel like you hold the Ashes until you retain them, so to win out there was extra special. Then backing that up with wins against Sri Lanka and India – we deserve to be the best.

What's the atmosphere like among the team?

It's a lot more competitive. You have competition breathing down your neck – especially as a fast bowler. We have so much competition, we can pretty much rotate, football-style. It's a happy dressing room, but a tough one.

Is there a competition to get souvenirs from the pitch after big wins like the Ashes?

No! If you've done well, you get a stump – it's a cheek to nab one otherwise! ▶

“Thanks for the award! I'm going to put it next to the Ashes – which we're keeping for good!”

Tim Bresnan, on behalf of the England team.

NUTS TEAM OF THE YEAR AWARD

i Joey, What's the appeal of Twitter for you? It offers

a platform to show my human side and I enjoy interacting with people. For us pros, the football pitch is our stage, but the way we play doesn't always show everyone the people that we are.

You now have over 800,000 followers.

Why do you think you're so popular?

When I first set up, my starting point was that people were surprised I could even read or write because of the picture the tabloids had painted of me.

So, did you sign up as a way of showing people the real Joey Barton?

Sure, I had a point to prove. I like voicing an opinion, but I'm not forcing anyone to become aligned with me or my views. Anyone can follow me or unfollow me!

"I'm delighted. It feels great to be *Nuts*' first ever Tweeter Of The Year!"

SOPHIE AND EMMA!

SOPHIE!

EMMA!

SOPHIE READE & FRIENDS'

Topless Christmas!

Sophie Reade does her best sexy Santa with some familiar faces (and boobs) as her naughty elves. It's the super *Nuts* Christmas special!

HOLLY!

INDIA!

ROSIE!

“Emma’s a very well-behaved elf! She’s very sexy, too!”

Sophie

Merry Christmas, Sophie! Have you been a good girl this year?

Yes! If I get a lump of coal this year, I'm kicking off at Santa!

How's Emma doing as one of your elves?

She's very well-behaved. She's done as she's told, and she's very sexy, too!

Have you got a sexy Christmas planned?

I'd love to have a sexy Christmas! I have a sexy Santa costume that needs some serious attention.

What's the sexiest Christmas gift our readers could buy their girlfriends?

Underwear. It's very intimate and if you get all the sizes right, it makes you look very attentive.

What's your favourite thing about Christmas?

I'd rather give than receive, so I love giving presents. I also love cosying up with family and drinking snowballs.

If a guy asks for a kiss under the mistletoe, is it tacky or cool?

If it's done in a cute, cheeky way, it's OK.

If you had to snog a *Nuts* babe under the mistletoe, who would it be?

I'd go for Sophie Howard. She has beautiful boobs, a gorgeous full mouth you want to snog and beautiful eyes. She's hot!

Thanks, Sophie! Finally, any festive message for the *Nuts* readers?

Have an amazing Christmas – forget going out and getting drunk. Just stay in with your girlfriend and have some mistletoe mischief! ▶

"I have a sexy Santa outfit that needs serious attention!"

“Sophie’s
boobs are
massive.
She’s just
beautiful!”

Emma

Hi Emma! Did you enjoy being an elf today?

I absolutely loved it! I've never worn a green elf costume before, but it felt very sexy and cool.

What's your favourite thing about Christmas?

The whole build-up. I go and watch the Christmas lights being switched on, then I go and visit Santa in the shopping centre!

What one saucy gift would you like to find under the tree?

I love heels! Buy a girl shoes – get her size, suss out what she likes and she'll love you for it.

Have you any tips for guys buying underwear for their girlfriend this year?

Have a little rummage through her underwear drawer. Get her sizes and match her style. Think classy, not tacky.

If you had to kiss a *Nuts* babe under the mistletoe, who would it be?

Sophie Reade. Her boobs are massive – bigger than my head! She's beautiful.

Have you got a Christmas joke you can tell us?

What pizza do carol singers eat? One that's deep-pan, crisp and even!

How excited do you get on Christmas Eve?

I get up really early on Christmas Day, so I go to bed early the night before with my sisters and we chat about what we'll be unwrapping the next day.

Thanks, Emma! Finally, Have you got a festive message for *Nuts* readers?

I hope you all have a very happy Christmas and get everything you want from Santa Claus! ▶

“Holly’s boobs
could keep
me warm
all winter!”

Rosie

Hi Rosie! How are you?

Hiya! I'm really excited! We've got igloos here, snow, penguins and hot girls with amazing boobs!

If you had to live with a *Nuts* babe in an igloo, who would it be?

I'd snuggle up with Holly Peers because her boobs look like they could keep me warm all winter.

What's been the highlight of your year?

Going to LA with the *Nuts* girls was great. We're off to Vegas next year, too. *Nuts* babes are conquering America!

Do you think you'd enjoy an American Christmas?

They get really excited by it all, don't they? I think I could dig that, but I'd miss a British Christmas. I like going to the pub and having an open fire.

Which is better, Christmas Day or Boxing Day?

This year, I'm going to have a really big night on Boxing Day and go wild!

Have you ever got carried away under the mistletoe?

I've never been around mistletoe, but I'd like to have a snog under it.

Have you ever been naked in the snow before?

I once did a shoot with another girl in real snow. We had to put snow down each other's knickers!

What's the one thing you really want for Christmas?

I'd really like a Terry's Chocolate Orange.

Thanks, Rosie! Finally, what's your favourite saucy Christmas outfit?

I'm wearing a pretty good Santa one today. I might have to keep it! ▶

"I'd love to have a snog under some mistletoe!"

“Holly looks
stunning in
her sexy
outfit!”

India

Hi India! Merry Christmas!
Hello *Nuts*! Happy Christmas to you, too. I've been through loads of cheeky little Christmas outfits so I'm in quite an excitable mood.

What's your favourite festive outfit to wear?

I like the elf one – I'm in green, just like Emma, so we're flying the flag for the sexy elves. But Rosie looks so hot. I want her for Christmas!

Do you like the film *Elf*?

I love it! There's a sexy elf in that, too, isn't there?

What makes an ideal Christmas party?

I like the ones where everyone has to dress up and the place is decorated like a winter wonderland.

Have you ever photocopied your bottom at an office party?

I've done it in the *Nuts* office with my boobs! But it's dangerous, isn't it? I'm just thinking of health and safety. Or should that be elf and safety? Ha-ha!

Good one! What do you do on Christmas Day?

I drink lots, eat lots and give lots of presents. I never seem to have a boyfriend at Christmas, though, so I don't ever get any naughty presents.

Who would be your ideal mistletoe snog?

I think it'd have to be one of the *Nuts* girls. Holly looks stunning today in her sexy outfit.

Thanks, India! Finally, do you have a Christmas message for *Nuts* readers?

Thanks for your support in 2011 and I hope you all have lots of sexy fun. And stay safe, peeps! ▶

"Rosie looks so hot. I want her for Christmas!"

**"The naughty

Holly

Hiya Holly! How are you enjoying today's shoot?

Hello Nuts! It's always amazing. I'm enjoying the whole naughty elf look. It's very cute!

Are you tempted to keep the costume and make some dosh at a Santa's grotto after the shoot?

Ha-ha! No, I don't think that would be appropriate – although you might get a few more of the dads showing an interest!

If you could sit on Santa's lap, what special gift would you ask him for?

I'd ask him for a car and for him to magically make me able to drive it.

What's the naughtiest Christmas pressie you've ever received?

I've had quite a bit of sexy underwear bought for me over the years!

Have you any tips for guys buying underwear for their girlfriends this year?

It's a really nice present to receive, but make sure you look through her drawers to get the sizes!

Would you say you're friskier in winter?

I'm frisky all year round. I reckon I'm probably a bit merrier around people at this time of year!

What will your Christmas Day be like this year?

I'll be watching sh*t TV and getting drunk on tacky, fizzy wine.

Thanks, Holly! Finally, do you have a festive message for *Nuts* readers?

I was going to promise them more boobs, but that makes it sound like I'll be growing a third boob. Ha-ha! 

"I've had lots of sexy underwear bought for me in the past!"

We've always been partial to the regular *Total Wipeout*, which is simply a punishing assault course (so dangerous they have to hold it in Argentina as they can't get insurance over here!). BBC TWO • 8pm

Even by the standards of nature, Australia's Great Barrier Reef is a bit on the mental side – a 2,000km-long coral forest teeming with underwater life in all its forms. As this remarkable new three-part documentary shows, that includes sharks that can "walk" on land and some of the most venomous creatures alive!

Sherlock

BBC ONE • 8.10pm

Series one of this modern reworking of the classic detective tales was one of the best shows of 2010. Now it's back for the first of three 90-minute episodes. Benedict Cumberbatch plays Sherlock, Martin Freeman his sidekick, Watson. This sees them up against traditional arch-enemy Moriarty, among other evil. Brilliant!

The gung-ho cop-fest's back for a second series, continuing in full-throttle fashion. Picking up where the last series left off, McGarrett's in the clink awaiting trial for the murder of the governor, which he was framed for in the last episode. With him there's the bloke who killed his dad. What's that we smell? Ah, vengeance!

The boys embark on a lads' holiday to share their awkwardness with the world. Their embarrassment

When it's orphaned, Franco takes the baby, Caesar, home, and he becomes one of the family, until there's an incident... Freida Pinto also co-stars, as does incredible CGI and a super-sad plot. It's a cracking take on the smart apes movie. ★★★★★

IT'S NUTS' OFFICE PARTY - BROUGHT TO YOU BY BOOZETUBES!

CLEVER DRINKING DEVICE INSPIRES INSTANT XMAS!

WHEN SOMETHING called a

Boozetube turned up in our office, we just had to test it. And since it's Chrimbo, we decided to set it up, call in a couple of Nuts girls and stick Justin Bieber's Christmas CD on the office stereo!

See, a Boozetube is basically a tube that you fill with – you've guessed it – booze. Eight pints of foaming, golden lager, in our case. Imagine having one at a house party! Or when the lads are round to watch the footy!

With Christmas elves keeping it topped up, we tested its ability to serve cold beer to the max. It worked a treat. Inevitably, Daisy Watts and Beki Suzi just had to test the device topless. And then photocopy their boobs. After that, it all gets a bit blurry, though we do remember a junior Nuts man telling one of the big bosses (and when we say big, we mean 6ft 4 and 21 stone!) what he thinks of him. Luckily, the Boozetube soon restored Christmas spirit!

● **GET £20 OFF!** To save a whopping £20 off the RRP of £69.99, go to **boozetubes.com** and enter "NUTSPROMO".

story to our Lou!

CONFESS! OF THE WEEK!

'Our saucy Christmas bash'

NO ONE at work knows I like women, so nobody had a clue I was seeing one of the other PAs from the office. At the Christmas party, I guess the alcohol loosened us up, as we kept touching each other and sharing hugs. I followed her when she went to the loo and we were soon snogging in the bathroom, licking and nibbling each other's boobs and using our fingers to pleasure each other. Another girl from our team walked in – and straight back out again! She couldn't look either of us in the face without blushing the next day!

Shelley Manchester

'Wild festive party!'

LAST YEAR, we had a big Christmas party at my mate's parents' house in Chelsea. It was a big grand place so we made fab cocktails and danced until

very late into the night. Some people passed out on sofas and one couple were getting it on in the massive kitchen. My man and I collapsed on a chaise longue, kissing and running our hands over each other. We were both horny and when his hand went up my dress and his fingers went into my knickers,

I gasped in delight. It felt very naughty, knowing that friends were near, but exhilarating, too. I pulled my dress off and he caressed my hard nipples with his tongue. I undid his boxers and slipped my hand inside, feeling how rock-hard he was. I climbed on and rode him silently as he grabbed onto my bum cheeks. It was the best Christmas party ever!

Clara London

'Seasonal sex with cleaner!'

I WORK for an accountant's and our Christmas do is a dull bash held downstairs in the canteen. I got ready in the toilet and, when I returned to the office, everyone had gone down. The cute maintenance guy was in the corridor as I walked by. He whistled and stared at my cleavage. I paused and gave him a twirl, thinking about what we could get up to. As if reading my mind, he stepped forward, pushed me back to the wall and kissed me. His fingers delved into my bra and touched my nipples, and I felt his hard bulge pressing into me. I pulled him into the nearest office and shut the door. He then pushed my dress up and gave me oral. I was gasping and only took a minute to come. I made it to the party, stayed ten minutes and then went back to the guy for some more festive naughtiness!

Jody Essex

'Fun at the winter fair!'

LAST YEAR, I went to the Winter Wonderland in Hyde Park in London with my friends, so when my boyfriend produced two tickets this year, I was thrilled. He was being very romantic, holding my hand all the time and giving me lots of cuddles and kisses. After some ice skating, we hit the rollercoasters and he kept trying to fondle me sneakily on the rides. I started to come over all horny and, what with the adrenaline, I offered him a blow job. He was shocked but grinned as I pulled him round the back by some fencing where it was dark and secluded. I knelt down and, in the quickest time, had unzipped him and taken him in my mouth. It was saucy and quick – the best outdoor session we've ever had!

10 RUDE QUESTIONS!

And a real girl to answer them!

Rehea

21 Surrey

1 Where's the strangest place you've had sex?

"I had sex outside at a garden party once. It was really busy and people were walking past! We weren't being particularly quiet or anything, but no one seemed to notice us at all. Oops!"

2 What's your trademark naughty move in the bedroom?

"Porn-star blow jobs! My lips and tongue bar obviously help quite a bit in that department! Never underestimate a really good blow job!"

3 What really turns you on in bed?

"Lots of heavy, passionate kissing. As a starter course before we get down to business, anyway!"

4 What's your favourite position?

"Nothing beats good old-fashioned doggy style. It gets nice and deep, and feels so good!"

5 Is it better to give or receive?

"Receive, definitely! I mean, I like both, but if I really have to choose between them, receive!"

6 What one thing would you really like to try in the bedroom but haven't yet?

"Using sex toys. That'd be very interesting!"

7 Have you ever got it on with another girl?

"When I was younger, I kissed a lot of girls. I had the old fumble too, but nothing too graphic!"

8 What's your role-playing costume of choice? Would you ever wear a Santa outfit?

"I'd love to wear a sexy Santa outfit! I'm going to buy one this year. I don't tend to dress up much, though. Usually I just stick to sexy undies, suspenders and heels!"

9 Have you ever made a sex tape?

"I did. With an ex-boyfriend, but we deleted it straight away afterwards. Who knows where it might have ended up if we hadn't?"

10 What's the single rudest thing you've ever done?

"I once turned up at a guy's front door in nothing but sexy undies and a trench coat. Went down a treat!"

Merse's Premier League half-term report!

Nuts legend Paul Merson's verdict on the season so far!

AS WE'RE approaching the halfway point of the season, we asked Nuts football headmaster Paul Merson to give us his grades for each team so far. No sniggering at the back, Mr Balotelli!

HE'S A CLASS ACT!

Merse attended the same West London school as Leicester City striker Jermaine Beckford!

"Oh no - not an attack of the yips!"

ARSENAL

"The Gunners had a very dodgy start but have recovered well. Wenger's team are getting their mojo back but the first half of the season hasn't been good enough."

Best player:
Robin van Persie

MERSE'S GRADE

ASTON VILLA

"Villa are my dark horses to get involved in a relegation battle. Alex McLeish's men really don't look like scoring many goals and have some hard fixtures coming up."

MERSE'S GRADE **D-**

BLACKBURN ROVERS

"Rovers are struggling but have been unlucky in some games. I don't know what some of their fans are on! What's with booing Yakubu when he celebrates with Steve Kean? Mental!"

Best player: Yakubu

MERSE'S GRADE **D-**

BOLTON WANDERERS

"Bolton have been poor but have also had some stinking luck. Gary Cahill's red card against Spurs was a joke! I didn't see this happening but Bolton are really under pressure."

Best player: Ivan Klasnic

MERSE'S GRADE **E**

Nuts SPORT

CHELSEA

"Chelsea are more open and entertaining under Andre Villas-Boas but that doesn't win you football matches. They're like an MFI cabinet at the back, all over the place."

Best player: Daniel Sturridge

MERSE'S GRADE **D**

EVERTON

"Everton are like a bag of Revels – you never know what you're going to get. One minute they're great, the next awful! They'll finish mid-table but need cash!"

Best player: Leighton Baines

MERSE'S GRADE **C**

FULHAM

"Martin Jol's done a decent job. Fulham play some good stuff but they've had far too many draws. They need to start scoring more goals to turn draws into wins."

Best player: Moussa Dembele

MERSE'S GRADE **C**

LIVERPOOL

"Kenny Dalglish has brought in a lot of new players and they're only just starting to gel – they'll get better the more matches they play together. Losing Lucas is a massive blow though."

Best player: Luis Suarez

MERSE'S GRADE **B**

MAN UNITED

"This isn't a great Man United team. They need a world-class central midfielder. They're still in the title race but I just don't see them catching Man City."

Best player: No one has stood out!

MERSE'S GRADE **B**

MAN CITY

"Man City have been fantastic. Their movement and passing is incredible and they're ripping everyone to shreds. I don't think anyone can stop them winning the title."

Best player: David Silva

MERSE'S GRADE **A+**

NEWCASTLE UNITED

Europa nightmare for Man United!

Champions League exit could hit Fergie's transfer kitty!

➔ **BEING KNOCKED** out of the Champions League so early is a disaster for Man United. It's even worse for the bean counters at Old Trafford and owners the Glazers.

Losing to Basel could have long-term repercussions for the club. The owners will have already budgeted for the money coming in from the knockout phase, but now it isn't there.

Sir Alex may now have to sell in January before he can strengthen his squad – we might see the likes of Dimitar Berbatov on the transfer list before long.

For Man City, the Europa League is still a decent competition to be a part of. They're growing as a team and every cup they win will help their players develop that winning mentality.

For United, it's more of a distraction – their squad's nowhere near as strong as Mancini's and they'll have to

play Thursday and Sunday, which is something I'm sure Fergie will hate!

It's an incredible turnaround for United. At the beginning of the season, they were flying and had an exciting new team packed with youngsters. Now the younger players are being questioned.

Out of the Carling Cup, with an FA Cup trip to Eastlands and City running away with the league, they may have only one trophy to fight for by January!

His Abramovich impression was coming on

Villas-Boas fights back!

IT LOOKS like Andre Villas-Boas is beginning to change his Chelsea team for the better. Against Valencia, they were compact and defended very well. Ashley Cole hardly passed the halfway line and David Luiz was more reserved.

There's been a lot of talk about Frank Lampard being left out of the side. I'm sure Frank has a very important role to play this season, but he may have to accept he's no longer an automatic choice.

Qualifying for the Champions League knockout phase has bought AVB time. It means he can strengthen in January and continue to stamp his imprint on a squad which remains a big reminder of Jose Mourinho's stint at Stamford Bridge.

Give the man time to get it right, Mr Abramovich!

UNBELIEVABLY BAD!

MAD MANNONE!
The Arsenal goalkeeper curse strikes again! Poor Vito Mannone had a stinker against Olympiakos. Oh well, at least Wojciech Szczesny looks decent!

Suarez must learn to stay out of trouble!

KENNY DALGLISH needs to have a chat with Luis Suarez and tell the striker to keep his head down over the next few weeks. There's no doubting the Uruguayan's talent – he's a tremendous footballer – but he must learn to stay out of trouble. Controversy seems to follow the frontman around. He must stay on his feet more and not react to provocation!

"Here's the church, here's the steeple, open the doors..."

THE BIG MATCH!

"That reminds me, I must get some meatballs on the way home"

Man City vs Arsenal

18 DEC, 4PM • SKY SPORTS 1

This is a really tough game for Arsenal. Arsene Wenger's men are looking better, but are still no match for Man City. The Blues are so strong and their players are starting to believe they can win the title. Even better for Roberto Mancini, Carlos Tevez looks like he's on his way to Italy!

KAMMY'S PREDICTION: 3-1

Key man

Mario Balotelli's antics are lighting up the league. The Italian may be a pantomime villain, but he's also a darn good footballer!

DRAW KAMMY!

THIS IS a real Christmas cracker, sent in by Gary O'Reilly of Rochdale. I love the way he's drawn me surrounded by a bevy of football babes. Just don't tell the missus!

Froch: 'I'll need another shelf for all my trophies!'

The world champ on fighting Andre Ward!

➔ Hi Carl! You're fighting Andre Ward to defend your WBC

World Super-Middleweight title. How big a threat is he?

He's got a messy fighting style, but he's not a big puncher so there's no real danger of being knocked out. He makes up for that with skill and speed, but I'm really not concerned.

He beat Mikkel Kessler, who won on points against you...

He cut Kessler with a couple of head-butts, but if anyone beat Kessler it was me! I beat him into retirement! I came away feeling very satisfied that I beat him up. Ward came out of his fight with Kessler with the belt, but everyone was saying the decision was a load of crap.

What means more, winning the belts or winning the final of the Super Six Super-Middleweight tournament?

Both. *The Ring* magazine belt would be fantastic to win. *The Ring* is the bible of boxing, so to win that belt and to get pound-for-pound recognition will be awesome.

If you win, what's left to do?

Well, there's still the IBF title, or maybe a rematch against Kessler as I'd like to avenge that defeat.

Is it right that you went on holiday with Lennox Lewis and Dizzee Rascal?

Yeah, Dizzee is a big boxing fan! I can't say my rapping is any good though!

If you win this fight, have you thought about buying a bigger trophy cabinet?

I've got a wall with loads of pictures and my belts up, but that's it. I guess I'll have to put another shelf up.

Thanks, Carl. Finally, shall we talk about your missus, Rachael Cordingley?

What do you want to know? How good she is in bed? You're going to get me in trouble! If we have an argument, she hits me with a left cross to the shoulder. She's a southpaw, so it hurts!

● Carl Froch vs Andre Ward, Saturday 17 December, midnight, live and exclusive on Sky Sports 1/HD.
